

New Year Sale Price Makes Tahiti Unbeatable Value

Now is the most affordable time to realise your dreams of a Tahiti holiday by snapping up a special five-night package at the Le Maitai Dream Resort on beautiful Fakarava Atoll.

Fakarava is the second largest atoll in the Tuamotu Archipelago, 78 tiny coral outcrops dubbed Tahiti's 'String of Pearls' for their great beauty.

Only 90 minutes flying time from Papeete, Fakarava is becoming a favorite with honeymooners and families seeking an authentic Tahitian island experience or divers wanting to drift dive its lagoon passes with mantas rays, turtles and reef fish in quantities that have just seen the atoll declared a UNESCO Biosphere Reserve.

The Le Maitai Dream (www.hotelmaitai.com) is Fakarava's premier resort, offering spacious beachfront cabins, boat and dive expeditions into the 12,000 sq km lagoon, tours to local pearl farms and an inspired French chef.

By booking now for travel between January 8 and March 31 you can obtain return international flights from Sydney to Tahiti with Air Tahiti Nui and five nights at the Le Maitai Dream Resort in a Tiare bungalow with daily continental breakfast and dinner in the resort's top restaurant and return island transfers for \$2399 per person twin share. Conditions apply and all air taxes are included. Call Tahiti Nui Vacations on 1300 65 09 65 or visit www.honeymoon.net.au.
