

## Tantalising Tahiti Just a Mouse Click Away with [www.tahitnow.com.au](http://www.tahitnow.com.au)

Tantalising Tahiti and her islands have never been easier to book and visit – thanks to the launch of a dynamic new Tahiti Tourisme website, [www.tahitnow.com.au](http://www.tahitnow.com.au).

The interactive new site provides Australians with all the planning tools they need to pull together a dream Tahiti itinerary – then send it to a travel agent specialising in Tahiti for a competitive, customised quote on the cost of the holiday.

Packed with travel tips, holiday ideas and the latest unbeatable deals, the website showcases the range of accommodation styles available on various islands and the hundreds of activities available to holidaymakers, from water and land-based sports to soothing spa treatments, inland tours and visits to museums and historical monuments.

Combine a stay in a luxurious resort on Bora Bora with a jetski tour of the world's most beautiful lagoon and a hike up Mt Pahia; a homestay at a family pension on Tahiti with a surfing trip down to the home of the Billabong Pro world surfing championships at Teahupoo Beach and a 4WD tour into the interior; or a yacht charter in the Tuamotus with scuba diving on some of the world's most pristine reefs.

[www.tahitnow.com.au](http://www.tahitnow.com.au) also serves up a tempting selection of the latest packaged holidays available around Tahiti's 118 islands and atolls in easy-to-find categories of 'romance', 'adrenalin' and 'sanity'.

Tahiti Tourisme Regional Director Australia Jonica Paramor said the new website was designed specifically to make it easier for Australians to create a personalised Tahiti getaway.

"Our aim was to create a site that provides up-to-the-minute information with a simple click-through process that enables users to pull an itinerary together and send it to one of our trained Tahiti Tourisme Tiare Agents for expert advice and a competitive price," Ms Paramor said.
